

# The Kingfisher

## The Kingfisher

Unit Type A

Bungalow

1,454 Sq.Ft.

Of this two-bedroom home's many features the highlight just might be the grand entertainment space, with a view that stretches from the open gourmet kitchen through the expansive dining room, across the living room and beyond to the great outdoors. Notice the master bedroom with adjoining walk-through closets and ensuite bathroom.

All renderings are artist's conception. Upgrade options are available and are not included in the purchase price. E. & O.E.
